AUSTIN KNUDSEN

STATE OF MONTANA

Dear Fellow Montanans,

Montana is home to some of the best and bravest law enforcement officers in the nation, including our Montana Highway Patrol Troopers. As Attorney General, I have the pleasure of leading the Patrol and meeting many of our fine Troopers across the state who exemplify the Patrol's core values of "Service, Integrity, and Respect."

One Trooper who exemplifies what it means to be a Highway Patrol Trooper in Montana is Trooper Lewis Johnson. On February 16, 2023, he was injured in the line of duty when he was run over by a suspect who was fleeing from law enforcement. During the incident, Trooper Johnson sustained serious injuries and is still recovering and will be for the near future. Trooper Johnson bravely put his life at risk for the safety of his fellow Montanans that day.

After the incident, Montanans showed up for Trooper Johnson and his family in a big way, raising over \$200,000 to help support the family throughout his recovery. And even after everything he's been through, Trooper Johnson maintains "It's still great to be a law enforcement officer in the state of Montana."

Trooper Barb Armstrong also put the safety of others before her own as she located a woman who had been viciously attacked by river otters, provided aid, and guided a life flight helicopter to their location. For her actions on August 2, 2023, Trooper Armstrong received the Medal of Valor, MHP's highest award. That day, fully loaded with her gear, she swam across a river with dangerous animals. Without her efforts, the outcome may have been tragic.

I am grateful to Troopers Johnson and Armstrong and all Highway Patrol Troopers who are out on the roads every day and ready to help their fellow Montanans regardless of the challenges they may face. I'm proud to live in a state like Montana where we value and support law enforcement for their hard work. There is no one more deserving.

Sincerely,

Austin Knudsen  
Montana's Attorney General

Honorable Austin Knudsen

Helena, Montana 59620

Dear Attorney General Knudsen,

I respectfully submit to you and the citizens of Montana, the 2023 Highway Patrol Annual Report. This report is a year in review containing information and statistics concerning Montana Highway Patrol activities, and Montana crashes during the 2023 calendar year.

While researching our history and perusing the sobering statistics from 2023, I was reminded of the reasons the Montana Highway patrol was formed and the continuing need for troopers on the road as population, crime, and highway deaths increase.

According to our history, Montana citizens and legislative representatives recognized the need to create an enforcement agency in effort to curb needless deaths on Montana highways, and thus in 1935, the Montana Highway Patrol was born. In 1972, traffic fatalities reached an all-time high of 395 and our troop strength increased to 220. Thankfully, we are not experiencing a death rate that high, but any death on Montana's roadways is one death too many.

2021 was a high year for fatalities, with an increase of about 17% over 2020. We investigated 208 fatalities in 2023 and 220 in 2022. We are seeing a continuing upward trend with increases in fatal crashes from year to year. Drunk and/or drugged driving continues to be leading contributing factor for roadside fatalities with 118 drugged/drunk drivers losing their lives in 2023.

The safety of our citizens and visitors to our state is paramount and our main mission. Our two special teams- Criminal Interdiction Team (CIT) and Strategic Enforcement Traffic Team (SETT) were very active last year, and we have the statistics to prove it.

CIT continued to battle the dangerous, synthetic opioid Fentanyl in 2023, seizing 86,070 pills and 2.96 pounds of powder, resulting in 29 felony arrests. This year there was an increase in the seizures of dangerous drugs and weapons that resulted in numerous felony arrests.

- Marijuana/Hash - 349.33 pounds of Marijuana and .07 pounds of Hash seized and 6 felony arrests.
- Methamphetamine- 128.65 pounds and 79 felony arrests
- Fentanyl- 86,070.6 pills and 2.96 pounds of powder seized and 29 felony arrests.
- Cocaine- 22.13 pounds and 10 felony arrests
- Hallucinogens- 0.79 pounds and 2 felony arrests
- Weapons- 60 seized

SETT team had a total of 1,598 citations and 3,824 warnings. Of these citations 161 were DUI and drug citations. A total of 435 seatbelt citations were issued, as they educate the public about seatbelt use to keep injury and fatal crash numbers down. Their specialized team works in multiple areas of the state to cut down on impaired driving, unbuckled drivers, speeding and reckless driving.

There is still much work to be done. CIT and SETT provide a large portion of the statistics in our annual report. However, we mustn't overlook the work of the district and detachment level troopers who day in, and day out make a difference with their presence on Montana's roadways.

Troopers made 83,679 traffic stops, investigated 11,927 crashes, and had 11,982 citizen assists across the state of Montana in 2023.

- Speeding- 22,063
- Drugs- 946
- DUI- 2,496
- Seatbelts- 9,149 citations 721 warnings

In closing, I would like to thank Attorney General Austin Knudsen for your continued support of our agency. We know you have our back.

As always, the Montana Highway Patrol is here to provide you and the citizens of Montana our Service, Integrity, and Respect.

Respectfully,

Colonel Kurt Sager

# **STRATEGIC ENFORCEMENT TRAFFIC TEAM (SETT)**

Sgt. Derek Stoner

Trooper Jason Fredenberg  
Trooper Blaine Heavner  
Trooper Brian Inman  
Trooper Benjamin Panas

Funded by the Department of Transportation, Highway Traffic Safety Division, this team of troops consists of 4 full-time troopers and 1 sergeant. The SETT team provides high visibility enforcement to selected areas and regions of the state using strategically deployed, aggressive, inter-agency enforcement patrols. The team bolsters high visibility enforcement efforts to educate the public about a variety of behaviors that contribute to traffic crashes, including the dangers of speeding, impaired driving, aggressive driving, distracted/inattentive driving, and the lack of safety belt usage. SETT enforcement has had a very positive effect on the areas patrolled, the hours of concentrated enforcement during fiscal year 2023 yielded:

## MHP DRUG INTERDICTION ACTIVITIES

In 2012, the Montana Highway Patrol purchased their first K-9 for assistance in foot pursuits and drug interdiction activities. Since then the MHP has acquired a total of 9 K-9's stationed at various locations throughout Montana. These dogs are used in drug interdiction activities not only by the Highway Patrol but also to assist other law enforcement agencies throughout the state. With the help of these K-9's and through the dedicated work of all troopers the following statistics and information has been generated:
